### **“Faithful Over Little, Set Over Much: Encouragement to Remain Faithful to the End”**

By Pastor Roberto Rojas

Zion Ev. Lutheran Church in Winter Garden, FL—the first and oldest Lutheran church in the Florida/Georgia District—was weighed down with a tremendous financial burden and poor doctrine and practice. This church was on the verge of closing its doors. With the odds stacked against them, this little congregation corrected its doctrine and practice, paid back its massive debt, and built a brand-new sanctuary entirely debt free. How did this happen? Come and hear Pastor Rojas tell the story of how God blessed Zion. In this presentation, you won't hear a sales pitch on buying into some particular method, strategy, or program. Pastor Rojas is no guru or church-growth expert. Instead, he is a simple, ordinary pastor who uses what is common to all—the Bible, the catechism, and the hymnal. In this presentation, you will be encouraged to remain faithful to the Word in and out of season: in opposition, failure, and success. You will be reminded that God always rewards faithfulness—sometimes in this life, but always in eternity—and that those faithful over little are set over much.
